Did You Wear Your Rotary Pin Today?

Rotary’s Wheel Opens Doors for a Former Polio Nurse, Jody Zogran, Who Worked in the Same Pittsburgh Hospital with Dr. Jonas Salk During the 1952-1953 Polio Epidemic.

[Editor’s Note: October is Vocational Month. The following article appeared in the Fall 2009 edition of Nursing in Virginia, a publication that serves the nursing profession. It is reprinted with the permission of the author, Jody Zogran, a former polio nurse. Jody was a keynote speaker at the 2009 Rotary District 7610 Conference at The Homestead.]

Every day we encounter valuable medical, entertaining and interesting facts about our knowledgeable friends, patients and strangers. How often when we are running, shopping, caring for a patient, on a cruise or just relaxing on the beach, do we look at distinguishing logos? I for one was guilty of “logo neglect” until several years ago when an intriguing logo caught my eye and prompted me to inquire about it.

Six years ago, Ken Tillman and I were docents at a historical home in Virginia. When we were leaving, I noticed that Ken’s briefcase has a yellow geared-wheel emblem with the words District Governor embossed above it. Not familiar with the significance of that logo, I inquired about it. He said that is the Rotary wheel and he had been the district governor of clubs in New Jersey. Ken mentioned that one of Rotary’s endeavors is to eradicate polio around the world.

My eyes got as big as the proverbial saucers and I said, “My word, I just finished writing a book about my experience as a polio nurse during the devastating polio epidemic (1952-53) in the United States.” I was at Municipal Hospital at the same time Dr. Jonas Salk and his research team were isolating the poliovirus to develop the polio vaccine. Their laboratory was in the basement. Our patients—in iron lungs, rocking beds and Monahan chest respirators—were on the third floor. A nationwide epidemic was occurring, and Pittsburgh was severely affected.

Ken was eager to read my book. The next day he asked me if I would speak about my polio nursing experience at the next Rotary meeting. That one invitation led to presentations at other Rotary Clubs and subsequently other organizations and nursing schools.

A local Rotary District presented me with their Paul Harris Fellow Award for helping Rotarians and others to understand the consequences of one of the most dreaded diseases in history.

In August 2008, I was interviewed by WQED in Pittsburgh for a documentary titled “The Shot Felt ’Round The World: The Untold Pittsburgh Polio Story.” It is to be televised in 2009 and will present information about the development of Dr. Salk’s vaccine and the heroic efforts of the polio nurses during the time when there was not vaccine to protect against this contagious, crippling disease.

Never in my wildest dreams did I ever imagine such an exciting episode would unfold in my retirement and add so much zest to my life — all because I noticed a logo and asked about it.

Mary Turpin Chosen to Lead GSE Team to Jamaica

Turpin, a Veteran of Six RI International Conventions, Transferred from St. Croix, V.I.

Mary Turpin, a Rotarian with the Rotary Club of Rosslyn-Ft. Myer has been chosen to lead the District 7610 Group Study Exchange Team to Jamaica. Mary transferred to the Rosslyn-Ft. Myer club from the St. Croix, Virgin Islands Rotary Club, where she had been a Rotarian for several years. Mary is a veteran Rotarian of six Rotary International Conventions.

Mary will assist in the selection and training of a team that will consist of four additional members who are not Rotarians. The deadline for clubs to submit GSE team member applications to GSE Chair Jerry Foltz is October 10.

GSE Team Applications Due October 10

Four Weeks of Exciting Cultural and Vocational Experiences Await Four Lucky Candidates

Four very lucky candidates will have the experience of a lifetime when the Rotary District 7610 Group Study Exchange Team travels to Jamaica in 2010. Rotary District 7610 is seeking four non-Rotarian candidates to complete a team of five, which will be led by Mary Turpin, a Rotarian with the Rosslyn-Ft. Myer Club, who has been selected as the Rotarian Team Leader. Mary will assist in the selection and training of the team. The deadline for clubs to submit GSE team member applications to GSE Chair Jerry Foltz is October 10.

All applicants must be available to travel from April 29 to June 5, 2010. All applicants must first have their candidacy endorsed by a Rotary club near their home or workplace. Team members must be between the ages of 25 and 40 and employed full time in a recognized profession. Team members cannot be:

- A Rotarian, honorary Rotarian, or Rotary employee
- The lineal descendant of a Rotarian, honorary Rotarian, or Rotary employee, or the lineal descendant’s spouse
- The spouse of another team member
- An ex-Rotarian who resigned less than 36 months before the time of application
- The lineal descendant of an ex-Rotarian or ex-Rotary employee who resigned less than 36 months before the time of application, or the lineal descendant’s spouse.

During the team’s four weeks of travel in Jamaica, they will stay in the homes of Rotarians and have the opportunity to interact with Rotarians and their families. Team members will be exposed to a wealth of cultural and vocational opportunities that will allow them to experience how their counterparts in Jamaica practice the same vocation.

The GSE Team will be the guests of Rotary District 7610 at its District Conference and Family Fun Weekend, April 29 through May 2, 2010, at Kings Mill in Williamsburg, Virginia. Immediately following the Conference, the Team will depart for Jamaica for four weeks of cultural and vocational tours.

Upon their return from Jamaica, each Team member must commit to be available for one year to give presentations to local District 7610 Rotary Clubs.

The Group Study Exchange program is funded by The Rotary Foundation’s World Fund. The World Fund is made possible from the donations to the Annual Programs Fund. Clubs that sponsor GSE Team members are not required to pay for the cost of travel or accommodations of the sponsored Team member. For more information about the Group Study Exchange program, please read the GSE Brochure, the GSE Team Handbook, and the GSE Program Guide for Rotarians.
October 22, 2009
The Boar’s Head Inn Pavilion
200 Ednam Drive
Charlottesville, Virginia 22903
6:30-8:00 p.m.

Heavy hors d’oeuvres. Cash bar.

Spouse and guests are welcome.

$28.00 per person.

Please RSVP by Thursday, October, 15 to Karen Rogers, karenjrogers@comcast.net, with the following information: Name, address, city, state, zip code, and number of attendees. An RSVP is a binding commitment. Persons who RSVP but do not attend will be billed $28 per person.
To help Rotary International meet the terms of the $355 million challenge grant from the Bill and Melinda Gates Foundation, each District 7610 Club was asked to hold fundraising events to support the polio eradication efforts. The suggested club goal for last year was $1,000 per club. This year, each club has been asked to raise $2,000 through public fundraising activities. [Clubs that have met or are on target to meet these goals are highlighted in blue, below.] Since the challenge grant began in December 2007, District 7610, its clubs, and Rotarians have raised and donated over $153,000. To stay on target, each Rotary, Interact, and Rotaract Club should consider holding a fundraising project to help Rotary meet this challenge. To avoid a reduction in a club’s Annual Giving (which would adversely affect Rotary’s ability to fund many of our other humanitarian projects), clubs have been asked to raise contributions from public fundraising events for polio, such as:

- **Purple Pinkie** booths at community carnivals, county fairs, arts festivals, and fall celebrations
- Garage sales, used book sales
- Casino nights
- Concerts (for example, the **Izhak Perlman benefit concert** to be held December 2, 2009, in New York City)
- Public screenings of the Oscar-nominated documentary on polio eradication efforts, “**The Final Inch**”
- Celebrate World Polio Day on October 24 by participating in the **Rotary Walk** to End Polio Now.

**Contributions Exceed $153,000 to Meet Gates Foundation’s $200 Million Challenge**

Albemarle County 0.00
Alexandria $1,150.00
Alexandria South 0.00

THIS IS A TREE THAT WAS NEVER CHOPPED DOWN
TO MAKE A CRUTCH THAT WAS NEVER NEEDED
BY A CHILD WHO NEVER GOT POLIO
BECAUSE VACCINE WAS NEVER IN SHORT SUPPLY
THANKS TO PEOPLE WhOSE COMPASSION WASN’T EITHER.

Over the past twenty years, Rotary club members have
helped immunize over two billion children against polio.
Thanks to them the world will soon be polio-free.

Celebrating 100 years of service.
www.rotary.org
Q: Why do the numbers on some Rotary Foundation Reports remain the same throughout the Rotary Year, but change for other reports and awards?

A: The Rotary Foundation uses the membership numbers in the July Semi-Annual Report (SAR) to calculate per capita giving in the Monthly Contribution Reports (MCRs). The membership numbers for per capita giving remain static throughout the year to ensure that clubs and the District are not constantly challenged with a moving target.

Club Banner Recognitions for Every Rotarian Every Year (EREY) and for 100% Sustaining Member are awarded at the end of the year, after the books are audited. These recognitions are based on the membership numbers as of June 29. These numbers appear on the EREY Eligibility report. The membership numbers on the EREY report are dynamic and update as membership changes, to ensure 100 percent participation in annual giving among each club's members.

The EREY Club banner is awarded to clubs that have 100% member participation in giving to the Annual Programs Fund (APF) and a minimum of $100 per capita. To calculate $100 per capita, all Rotarian, non-Rotarian and club contributions are considered.

The 100% Sustaining Member Club Banner is awarded to clubs with every active member at the end of the year personally contributing $100 or more to APF.

Endowment Fund Supports Centers and Honors Past RI President Bhichai Rattakul.

A new endowed fund supporting the Rotary Centers for International Studies has been established in honor of Past RI President Bhichai Rattakul. The Rotary Foundation is seeking to permanently endow the Centers Program to ensure funding exists into perpetuity.

Gifts to the fund help support this goal as well as honor Past RI Rattakul. There is already great enthusiasm. The development effort has only been active since April of this year and so far over $560,000 has been raised. Contact PDG Tom Payne for additional information on how you can support this initiative for world peace.

To nominate a candidate for a Rotary Center scholarship, contact Chair Sally Lay or Vice Chair Donna Wellen.

Does Your Club Have a Paul Harris Society Member?

Let the Paul Harris Society Help Jump Start Your Club’s Annual Giving Campaign.

A Paul Harris Society member in your club can be a great way to help achieve your Annual Giving goals. Club Presidents are ideal role models and should try to lead by example wherever possible. Members of the Paul Harris Society pledge to donate $1,000 or more annually to The Rotary Foundation.

Use TRF Direct as a way to make it easy—just $84 each. Utilize banners, certificates and pins when presenting a new PHS member at a club meeting. It's a great way for other club members to get caught in the momentum.

To learn how your club can launch an effective Paul Harris Society campaign, contact PHS Chair Ron Marion or Vice Chair Carole Foley.
One drop at a time, Rotarians around the world are providing life-saving immunizations to children who remain at risk of being stricken by the crippling disease of polio. Millions of the immunizations are administered through National Immunization Days in the four remaining countries, India, Nigeria, Afghanistan, and Pakistan, where the wild polio virus remains endemic. Hopefully very soon, no more children will remain at risk, and Rotary and its global partners will certify that the entire world is polio free.

Now is your opportunity to participate in this historic, global eradication initiative, before it is too late. Noelle Galperin and Luis Ortega, the 2008-2010 District 6990 PolioPlus Co-Chairs and Zone 34 National Immunization Day (NID) Team Co-Leaders, will be leading an NID trip to Chandigarh, India in February 2010. This will be Noelle’s 4th NID experience, which included leading three NID groups from our neighboring Zone 34. This is Luis’ 2nd time leading an NID.

Noelle and Luis have been in ongoing communications with important stakeholders, including Carol Pandak and her team at Rotary International; Robert Hall, Zone 34 Gates Challenge Grant Chair; District 6990 leadership; the Rotary PolioPlus office in Delhi, India; and Rotarians in Chandigarh, India to design what will certainly be another amazing and memorable NID experience. Noelle and Luis have put together the following PRELIMINARY itinerary focused on spending a significant amount of days engaged in NID activities:

Day 1 - 2 Fly to Delhi
Day 3 Visit World Health Organization & Rotary PolioPlus offices in Delhi
Day 4 Travel to Chandigarh, Rotary family home stays
Day 5 NID Booth Day, Rotary family home stays
Day 6 NID Mop-up Day, Chandigarh Rotary Club project visits

Rotary family home stays
Day 7 NID Mop-up Day, Chandigarh sightseeing, Rotary family home stays
Day 8 Travel to Amritsar, visit the Golden Temple
Day 9 Travel to Delhi
Day 10 Visit St. Stephen's Hospital Polio Corrective Ward & Akshay Pratishtan - integrated abilities school
Day 11 Delhi sightseeing, shopping
Day 12 Early AM departures home from Delhi OR continue in India on your own

Final travel dates will be announced as soon as the Indian government announces the official National Immunization Day dates 2010, in the Fall of 2009. The price will be APPROXIMATELY $3000, including air fare (which Rotarians will book on their own - some may elect to use airline miles or points), ground transportation, 4-5 star hotel accommodations, some meals, and sightseeing excursions. You do not have to be a Rotarian to join the NID trip. Friends and family are welcome! The organizing committee is expecting 45 participants from around the world to join the effort. Rotarians from District 7610 are invited to participate.

Going on an NID trip is truly a fabulous and life-enriching experience. If you are interested in attending, the next step is to subscribe to the Yahoo Group list to receive the updates that will be issued to potential participants. Send a blank email to polionid-subscribe@yahoogroups.com . You will receive a confirmatory email from Yahoo Groups, which you must click the confirmatory link on to join the Yahoo Group. If you have any problems joining, send Noelle Galperin an email.
Concert to **END POLIO**

Violin virtuoso **Itzhak Perlman** joins the world-renowned New York Philharmonic and The Rotary Foundation for a benefit concert to help end polio.

2 December at 7:30 p.m.
Lincoln Center for the Performing Arts
Avery Fisher Hall

**Don’t miss this special evening!**
A block of tickets has been reserved for Rotarians until 1 November. To order tickets for the concert and post-concert reception with Itzhak Perlman, call the Philharmonic box office at 212-875-5656 and mention you are a Rotarian.

More information about the concert and reception is available at [www.rotary.org/endpolioconcert](http://www.rotary.org/endpolioconcert).

Stricken with polio at the age of four, Itzhak Perlman overcame great physical challenges to become one of the world’s most celebrated musicians. In this one-night-only performance, he’ll help Rotary meet its greatest challenge — to eradicate polio worldwide.

Watch for an interview with Itzhak Perlman in the November issue of *The Rotarian*.

All proceeds will go to Rotary’s US$200 Million Challenge.
